

The Fort Malden Guild of Arts and Crafts (Gibson Gallery) Live Art Competition will be held at Art by the River.

Each group of two students, will be provided with a 4'x4' Masonite board, (primed in white). If you would like to participate, but do not have a partner, a 2'x2' Masonite board, (primed in white) will be provided.

ALL other materials: Paint, mixed- media supplies, paint brushes, any adhesives needed, 2D or 3D materials (*appropriate for public display*), and cleaning supplies, is to be provided by the students. Note: Please be sure to bring Sun protective clothing, Sunscreen, and shade materials such as sun umbrella.

*Water will be available, please bring a container/jar, or bucket. The works of art can be mixed media, or just painted.

Prizes will be awarded for:

- First Place: \$100 (per person)
- Second Place: \$75 (per person)
- Third Place: \$50 (per person)
- Fourth Place: \$25 (per person)

*Let's not forget about bragging rights!

The F.M.G.A.C. Board has chosen to invite Art Students from the local Greater Essex County High Schools.

Judging will be done by the F.M.G.A.C. Board. Winners will be contacted within a week after the competition, and the list of winning Artists' will be posted on the Gibson Gallery Website.

Please see Application to Register for the Live Art Competition on the next page!

Good luck Artists!

Application for Live Art Competition Event:

The Fort Malden Guild of Arts and Crafts (Gibson Gallery) Live Art Competition Event;

Saturday August the 26th, 2023

(* Rain Date Sunday, August 27th, 2023)

Participants will arrive at Fort Malden grounds at Gate 1 at: 9:00AM

The theme will be simple: **WATER**

The participants (Students) will come prepared with their unique concept of the theme “Water”. Ensuring their work is appropriate for public display, Students are responsible to produce a finished piece of Art and remain on site until the end of the day to display their work to the viewing public. The work should clearly demonstrate the theme of Water. Students may like to consider the way we interact with water. How water impacts how we see the world around us? Students are encouraged to consider any of the following; (but not limited to): use of colour, line, and the reflective, dimensional, fluid, transparent, distorted, limited nature of water.

I, the Student/Parents, by signing this application: Agree to Participate in the above Event.

Signature of Participant (Student /or Parent):

** Parental signature required for students under 18*
