

56th Annual

ART

by the river

AMHERSTBURG

The Fort Malden Guild of Arts and Crafts wishes to extend a heartfelt thank you to our dedicated Volunteers, the staff of Fort Malden NHSC, Friends of the Fort, The Town of Amherstburg Tourism and Public Works Departments for their help and our generous sponsors.

For your safety

In the event of an environmental occurrence, such as a severe thunderstorm, the Art by the River Committee may make the call to evacuate the grounds. They will inform the public and vendors by megaphones and direct them to the nearest exit, as indicated in the program map. If this occurs, please **STAY CALM**, as you exit the grounds and please **DRIVE CAREFULLY** on your way home.

Welcome to Art by the River 2023!

The Fort Malden Guild of Arts & Crafts/The Gibson Gallery welcomes you to our 56th annual Art by the River, an end of summer tradition. Started as a centennial project, Art by the River has grown, bringing over 160 artists and artisans, family entertainment and food vendors, to the grounds of Fort Malden Historical site the in beautiful town of Amherstburg. Our talented artists and crafters work in a variety of mediums to bring you their unique creations to Art by the River. Funds raised this weekend at Art by the River help operate, maintain and restore Amherstburg's former railway station as an arts and crafts center with free admission.

Thank you for your support and please enjoy a beautiful summer day with the ARTS!

Entertainment

Who are the Fort Malden Guild of Arts and Crafts?

The Fort Malden Guild of Arts and Crafts is a charitable organization operating as the Gibson Gallery, founded in 1945 “to encourage and foster cultural development in the field of fine arts and applied arts”.

The Gibson Gallery building, located at 140 Richmond St, Amherstburg, is a former Michigan Central Railroad station built in 1896. The building has been renovated to its original Romanesque glory to house a public art and craft gallery, featuring towering ceilings, hardwood floors and bevelled fanlights. Our attached caboose serves as a museum of local railroad artifacts, memorabilia and history.

The Gallery offers a full season of exhibits by local artists and touring exhibits from Ontario galleries. Our unique Artisan Shoppe, art & craft lessons for children and adults, two needle guilds and two artist guilds make this heritage site a vital center for the visual arts in our community.

Each year, the Gallery awards three \$500 scholarships to local students pursuing advanced education in visual arts. Visit the Gallery, become a member, join a guild or committee— get involved in the arts!

Join us and discover your inner artist
